Industries and Mines Department,
Sachivalaya, Gandhinagar,
Dated- /07/2016.

22 JUL 2016

To,
Additional Chief Secretary/ Principal Secretary/ Secretary
All Secretariat Departments,
Sachivalaya, Gandhinagar.

Subject:-Interpretation of Gujarat State Purchase Policy 2016

Sir,

Industries & Mines Department has circulated Gujarat State Purchase Policy 2016. During discussion in the meeting of Committee of Secretaries, a query was raised whether the condition of 'Make in India' would be applicable to raw material and intermediate products also.

After discussion, it was clarified by Chief Secretary and Additional Chief Secretary (IMD) that '**Make in India**' is applicable only to the final products. It is not applicable to items such as intermediate goods, raw material, machinery etc. used in production of the final purchased product, or the technology used etc.. For example, in the Water Supply Department, the major purchase is of MS, HDPE, PVC and GI pipes, hand pumps and pumping machinery. In all of these, the intermediate goods could be produced locally or imported by manufacturer of the finished product purchased by the department.

The above clarification with regard to the Gujarat State Purchase Policy 2016 may be noted by all the departments of government, and also intimated to the concerned HODs/State PSUs/Offices under them.

Yours Sincerely,

B.S. Mehta
(B.S.Mehta)

Deputy Secretary

Industries and Mines Department,
